

16th October 2025  
ERIKSBERGSHALLEN, Goteborg

Coming Soon

**VOLVO**

Ali Islam  
Expert Cost Engineer – Cells and  
Battery Packs

*“What’s inside a battery: Unpacking the  
cost of Li-Ion cells”*

Coming Soon

**BENCHMARK  
MINERAL  
INTELLIGENCE**

Evan Hartley  
Research Manager

*“Europe’s drive for cathode  
independence – the build out of the ex  
Chinese midstream”*

View Presentation

**CARBON X**

Sophie Dik  
Head of Sales

*“CarbonX Anode Active Material:  
bridging Performance,  
Sustainability, and Supply Chain  
Resilience for EV batteries”*

View Presentation

**cling**

Axel Wimby  
Sales and operations lead

*“Building the market infrastructure for the  
circular battery economy”*

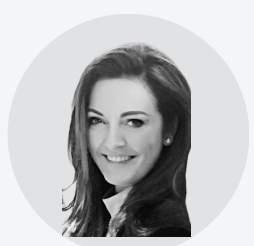

View Presentation

**EUTRACO**

Cynthia De Pauw  
Director International Development

*“Battery Logistics Unplugged,  
bridging challenges, regulations  
and reality”*

Coming Soon

**excillum**

Emil Espes  
Head of Segment – Battery

*“How high-speed inline CT can increase  
yield and ensure quality in battery  
production”*

View Presentation

**Natrion**

John Fox  
Chief Operating Officer

*“Beyond a Barrier: The first  
Active Separator”*

View Presentation

**NORDIC BIO-GRAPHITE**

Jakob Way  
CEO

*“From Reliance to Resilience:  
Reducing Emissions and Risks in  
Europe’s Graphite Supply”*

Coming Soon

**pickering**

Bo Öhrwall  
CEO and Technical Sales

*“Testing EV Motor Control Units  
(MCU): How Simulation is Vital  
to Success”*

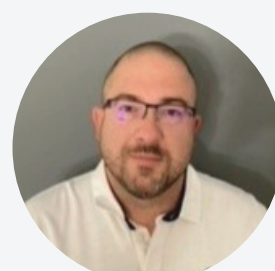

Coming Soon

**ALTANA**

Guillaume Gerbaut  
Technology Manager Automotive

*“Innovative thermal and  
dielectric solutions for battery  
pack protection”*

View Presentation

**UK BATTERY  
INDUSTRIALISATION  
CENTRE**

Richard Lockwood  
Business Development Manager

*“Overcoming the challenges of  
scaleup of battery manufacturing”*

Coming Soon

**SWECO**

Bezawit Tsegai & Theodor Ingman  
Energy Advisory Consultant

*“Empowering the Future:  
Battery Storage and Hydrogen  
Market Insights.”*

Coming Soon

**ASTON MARTIN**

Eylül Karacaaslan Callozzo  
Battery Technology Manager

*“The Chemistry of Compliance:  
Turning Global Battery Rules into  
Supply-Chain Advantage”*

View Presentation

**INNER**

Efrat Avnet Steinberg  
CEO

*“Bringing battery pack  
diagnostics closer to perfection”*
